

**Job Title: DIY Video Content Creator (TAFE Students)**

Our Company: Complete Construct – New Homes & Renovations

Location: Kent Town, South Australia

Job Type: Part-Time / Project (Flexible hours)

Are you a creative and talented TAFE student with a passion for Film making? Do you have a knack for creating engaging video content? If so, we have an exciting opportunity for you to showcase your skills and contribute to our growing construction company.

Complete Construct – New Homes & Renovations is seeking TAFE students who are proficient in creating short DIY video content related to construction projects. This role will involve producing high-quality, informative, and visually appealing videos that empower our customers to tackle various construction tasks on their own.

**Responsibilities:**

- Create engaging and professional video content, including filming and editing.
- Collaborate with the marketing team to align the videos with our brand image and goals.
- Ensure the videos are well-structured, visually appealing, and optimized for online platforms such as youtube, facebook, Instagram, tik tok.

**Requirements:**

- Currently enrolled in a TAFE studying videography, media, or a related field.
- Proficient in video editing software and equipment.
- Excellent communication and storytelling skills.
- Creative mindset with a keen eye for detail and aesthetics.
- Ability to work independently and meet deadlines.
- Able to work at different locations around Adelaide metropolitan.
- Access to necessary filming equipment and software (camera, microphone, video editing software, etc.) Not mandatory as we can also supply this equipment.

Note: While prior experience in creating DIY construction videos is preferred, it is not mandatory. We are open to considering applicants who demonstrate a strong interest and potential in video content creation.

If you are passionate and possess excellent videography skills, and have a desire to contribute to our industry, we would love to hear from you. Join us in creating engaging and educational DIY construction videos that will add value to our customers' experiences and strengthen the industry as a whole.

To apply, please submit the following:

Your resume, highlighting any relevant experience and coursework.

Samples of your previous video projects (if available) or a portfolio showcasing your videography skills.

Please send your application to:
